JUST LIKE THAT, A
COUPLE MORE ROUNDS,
AND WE'LL BE ABLE TO
TAKE DOWN THE BOSS!

WE SHOULD
STILL KEEP
OUR GUARD UP,
WE'VE ALREADY
LOST 50% OF
OUR CREW, TWO
TEN-MAN TEAMS
WERE NEARLY
WIPE OUT...

DON'T WORRY
ABOUT THE
CASUALTIES, SEND
EVERYONE IN, THE
BOSS DOESN'T
HAVE MUCH
HEALTH LEFT. WE
JUST NEED TO
DEFEAT THE BOSS,
THEN NO MATTER
WHAT IT'LL BE OUR
VICTORY!

TELL THE THREE
WHO ARE GUARDING
TO COME IN AS WELL!

Bahuang City

IT'S BEEN A LONG TIME SINCE I WENT TO SEE THE RULER OF BAHUANG CITY AND LOOKED AROUND THERE. LET'S GO CHECK IT OUT!

A LOT OF HIGH-LEVEL QUESTS WERE ALL ISSUED BY THIS KIND OF BOSS RULER, SO THERE ARE FAR MORE OPPORTUNITIES TO EARN LOTS OF MONEY.

BAHUANG CITY
IMPERIAL PALACE

An A&A level quest? Is this
A&A level quest going to
be that harsh? My B-level
quests all had me within
an inch of my life, won't
this A&A level quest make
me wish I was dead?
